how to connect

*One of the most important things we do here at ubc is to involve people in ministry.* We offer you a variety of ways to keep up with what's happening here: ① join a small group. ② visit the ubc web site. ③ sign up for *eLife* (our e-newsletter). ④ read your worship guide.

our stories

*Our Learning and Living Bible study group collected Christmas decorations and donated them to the women at Bay Area Turning Point.* We also collected gift basket items to begin donating to Bay Area Turning point when one of the women there celebrates a birthday. We also got a small group together to decorate for Christmas the home of two of our class members who are having serious health issues. It was a great outpouring of love for them, and we were blessed by being able to do something for them that brought joy to their Christmas and New Year. —*Nancy Inbody*

prayer focus

Pray for our friends and neighbors in the NASA community as they deal with the end of the Space Shuttle and Constellation programs and the resulting loss of many jobs. Pray for encouragement and success for those who are looking for work and pray for guidance and clarity of purpose for those who continue to serve at NASA. And please pray that God would be glorified.
